

Jesus Culture - Your Love Is Everything

Tom: Bb

(intro 4x) Gm7 Eb

When I am dry and thirsty Lord,
 And I'm crying out for more,
 I know I can trust in Your love.
 In the darkness in the night
 When I'm starving for the light
 I know I can trust in Your love

You keep no records of my sin,
 You don't remember all my shame.

Your love heals every disease

Your love fulfills my every need
 Your love is everything to me
 Your love is everything (2ª intro) Gm7 Eb

I will not forget
 I won't forget your promises
 I will not forget
 I won't forget your love.

I will not forget
 I won't forget nothing is impossible
 I will not forget
 I won't forget your love.
