Jet - Everything Will Be Alright

Tom: D

```
    G
Tell me everything
Tell me everything
                     A
Everything will be alright
                 D
It's gonna be alright

G
Tell me everything
Tell me everything
                     A
Everything will be alright
                   D
It's gonna be alright
                         G
They'll never hurt you again

Bm                       A
Now where to run no end in sight
Bm                     A
Tell everyone that you are right
D
Yeah
```

```
G
Tel me tel me again
will it ever end
                             A
Nothing seems to come out right

DIt doesn't come out right
G
Ain't it the truth

Bm                       A
No where to run no end in sight
Bm                     A
Tell everyone that you're  are right
 Gb                              Bm
All of this life I never meant to tell a lie
D                                    A
And if I can hold I tell you its alright
