

# Jet - Shine On

Tom: D

Please don't cry  
 You know I'm leaving here tonight  
 Before I go I want you to know that there will always be a light

And if the moon had to runaway  
 And all the stars didn't wanna play  
 Don't waste the sun on a rainy day  
 The wind will soon blow it all away

So many times I'd tried  
 To be much more than who I am  
 And if I let you down I will follow you 'round until you understand

That if the moon had to runaway  
 And all the stars didn't wanna play  
 Don't waste the sun on a rainy day  
 The wind will soon blow it all away

When the days all seem the same  
 Don't feet the cold or wind or rain  
 Everything will be okay  
 We will meet again one day

I will shine on, for everyone  
 So please don't cry  
 Although I leave you here this night  
 Where ever I may go how far I don't know  
 But I will always be your light  
 That if the moon had to runaway  
 And all the stars didn't wanna play  
 Don't waste the sun on a rainy day  
 The wind will soon blow it all away

When the days all seem the same  
 Don't feet the cold or wind or rain  
 Everything will be okay  
 We will meet again one day  
 I will shine on, for everyone  
 I will shine on, for everyone  
 When the days all seem the same  
 Don't feet the cold or wind or rain  
 Everything will be okay  
 We will meet again one day  
 I will shine on, for everyone  
 I will shine on, for everyone
