

Jet - Shine On

Tom: D

Please don't cry
 You know I'm leaving here tonight
 Before I go I want you to know that there will always be a light

And if the moon had to runaway
 And all the stars didn't wanna play
 Don't waste the sun on a rainy day
 The wind will soon blow it all away

So many times I'd tried
 To be much more than who I am
 And if I let you down I will follow you 'round until you understand

That if the moon had to runaway
 And all the stars didn't wanna play
 Don't waste the sun on a rainy day
 The wind will soon blow it all away

When the days all seem the same
 Don't feet the cold or wind or rain
 Everything will be okay
 We will meet again one day

I will shine on, for everyone
 So please don't cry
 Although I leave you here this night
 Where ever I may go how far I don't know
 But I will always be your light
 That if the moon had to runaway
 And all the stars didn't wanna play
 Don't waste the sun on a rainy day
 The wind will soon blow it all away

When the days all seem the same
 Don't feet the cold or wind or rain
 Everything will be okay
 We will meet again one day
 I will shine on, for everyone
 I will shine on, for everyone
 When the days all seem the same
 Don't feet the cold or wind or rain
 Everything will be okay
 We will meet again one day
 I will shine on, for everyone
 I will shine on, for everyone
