Tom: G

<sup>A G D A</sup>  
 Timothy, I took your place  
<sup>A G D A</sup>  
 Timothy, cause it's such a waste  
<sup>Bm G</sup>  
 Timothy, we found your spaceship  
<sup>Bm G D A</sup>  
 Timothy, it's the farthest you've ever flown

<sup>C A</sup>  
 Never used your head  
<sup>C A Em</sup>  
 To find out what this whole thing meant

<sup>D A</sup>  
 It's not what it seems  
<sup>Em</sup>  
 But it is  
<sup>D A Em</sup>  
 Timothy where have you been?  
<sup>D A</sup>  
 Timothy where have you been?

<sup>A G D A</sup>  
 Timothy, where did you go?  
<sup>A G D A</sup>  
 Timothy, the boy can throw  
<sup>Bm G</sup>  
 Timothy, we found your spaceship  
<sup>Bm G D A</sup>  
 Timothy, did it hurt when you hit the ground

<sup>C A</sup>  
 Never used your legs  
<sup>C A Em</sup>  
 To walk 'round in this whole big mess  
<sup>D A</sup>  
 It's not what it seems

<sup>Em</sup>  
 But it is  
<sup>D A Em</sup>  
 Timothy where have you been  
<sup>D A</sup>  
 She cried in the kitchen  
<sup>Em</sup>  
 To let you go  
<sup>D A</sup>  
 Timothy where have you been

<sup>Em</sup>  
 Missed your photo  
<sup>Em</sup>  
 Missed your birthday too  
<sup>Em</sup>  
 Missed your photo

<sup>D A</sup>  
 It's not what is seems  
<sup>Em</sup>  
 But it is  
<sup>D A Em</sup>  
 Timothy where have you been

<sup>D A</sup>  
 She cried in the kitchen  
<sup>Em</sup>  
 To let you go  
<sup>D A</sup>  
 Timothy where have you been

<sup>Em</sup>  
 Missed your photo  
<sup>Em</sup>  
 Missed your birthday too  
<sup>Em</sup>  
 Missed your photo  
<sup>Em</sup>  
 Missed your birthday too
