

# Jill Andrews - Tell That Devil

tom:  
 F (forma dos acordes no tom de E )  
 Capostrate na 1ª casa

Tell that devil to take you back, take you back, take you back  
 My heart went from red to black, red to black, red to black  
 Came up from that lake of fire, lake of fire, lake of fire  
 Only had that one desire, one desire

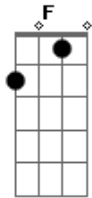

Got a mouth full of gasoline  
 Don't you bring your mind in me  
 Well I gave you all I got to give  
 I know that ain't no way to live

So I told that devil to take you back  
 I told that devil to take you back

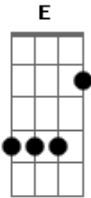

You came around to watch me break, watch me break, watch me break  
 Just another soul to take, soul to take, soul to take

Sweet shot of kerosene  
 When I threw it back, it poisoned me  
 Well I gave you all I got to give  
 I know that ain't no way to live  
 So I told that devil to take you back  
 I told that devil to take you back  
 ( G A D )
