

Jill Andrews - Tell That Devil

tom:

F (forma dos acordes no tom de E)

Capostrate na 1ª casa

Tell that devil to take you back, take you back, take you back
 My heart went from red to black, red to black, red to black
 Came up from that lake of fire, lake of fire, lake of fire
 Only had that one desire, one desire

Got a mouth full of gasoline
 Don't you bring your mind in me
 Well I gave you all I got to give
 I know that ain't no way to live

So I told that devil to take you back

I told that devil to take you back

You came around to watch me break, watch me break, watch me break

Just another soul to take, soul to take, soul to take

Sweet shot of kerosene

When I threw it back, it poisoned me

Well I gave you all I got to give

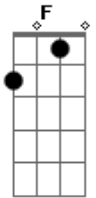

I know that ain't no way to live

So I told that devil to take you back

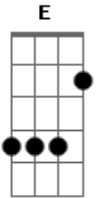

I told that devil to take you back
