

# Jim Croce - Photographs And Memories

G

tom:

Date: Friday,

Tabbed by Peter Tuyp

Summer skys and lullabies                      Nights we couldn't  
say goodbye

And of all of the things that we knew not a dream  
survived

Photographs and memories                      Christmas cards you  
sent to me

All that I have are these to remember you

Memories that come at night                      take me to another  
time

Back to a happier day                      when I called you mine

Chorus  
G7M                      C7M                      Gma7                      C7M                      G7M  
C7M

But we sure had a good time when we started way back when  
Morning walks and bedroom talks

Photographs and memories                      all the love you  
gave to me

Somehow it just can't be true that's all I've left of  
you

Chorus  
G7M                      C7M                      Gma7                      C7M                      G7M  
C7M

But we sure had a good time when we started way back when  
Morning walks and bedroom talks

Oh how I loved you then

Oh how I loved you then
