[Primeira Parte]

```
    Dm            Dm7    Dm7     Dm
If I could save time in a bottle
  Gm                        A7
The first thing that I'd like to do
        Dm          Dm7     Bb      Gm7    Dm
Is to save every day till eternity passes away
         Gm              A7
Just to spend them with you

     Dm           Dm7    Dm7     Dm
If I could make days last forever
  Gm                        A7
If words could make wishes come true
        Dm          Dm7     Bb      Gm7    Dm
I'd save every day like a treasure and then
       Gm               A7
Again, I would spend them with you
```

[Refrão]

```
         D               D7M
But there never seems to be enough time
    D           D                   G       G7M Em7 A7
To do the things you want to do Once you find them
    D            D7M
I've looked around enough to know
    D           D                   G       G7M Em7 A7
That you're the one I want to go through time with

And dreams that had never come true
    Dm          Dm7   Bb            Gm7     Dm
The box would be empty except for the memory

Of how they were answered by you
```
