

Jim Croce - Tomorrow's Gonna Be a Brighter Day

Intro: tom: G

[Primeira Parte]

Well, I'm sorry for the things that I told you
 But words only go so far
 And if I had my way I would reach into heaven
 And I'd pull you down a star for a present
 And I'd make you a chain out of diamonds
 And pearls from a summer sea
 But all I can give you is a kiss in the morning
 And a sweet apology

(E A E A)

[Segunda Parte]

Well, I know that it hasn't been easy
 And I haven't always been around
 To say the right words or to hold you in the mornin'
 Or to help you when you're down
 I know I never showed you much of a good time
 But baby things are gonna change
 I'm gonna make up for all of the hurt I brought
 I'm gonna love away all your pain

[Refrão]

And tomorrow's gonna be a brighter day

There's gonna be some changes
 Tomorrow's gonna be a brighter day
 This time you can believe me
 No more cryin' in your lonely room
 And no more empty nights
 'Cause tomorrow mornin' everything will turn out right
 (E A)

[Terceira Parte]

Well, there's something that I've got to tell you
 Yes I've got something on my mind
 But words come hard when your lying in my arms
 And when I'm looking deep into your eyes
 But there's truth and consolation
 And what I'm trying to say
 Is that nobody ever had a rainbow baby
 Until he had the rain

[Refrão]

And tomorrow's gonna be a brighter day
 There's gonna be some changes
 Tomorrow's gonna be a brighter day
 This time you can believe me
 No more cryin' in your lonely room
 And no more empty nights
 'Cause tomorrow mornin' everything will turn out right
