Jimi Hendrix - All Along the Watchtower

Tom: D

   The Tab is more or less to time but ,especially with those bend and release notes, a copy of the song is essential.

```
-----------------|--------------------------------------|----
---------------
--------12-14b---|-14b--14b--14bvvvv-----14br--12--------|----
---------------
---/13-------------------------------------------11h13--
|-11-11-11vvv-11\----
-----------------|--------------------------------------|----
---------------
-----------------|--------------------------------------|----
---------------
-----------------|--------------------------------------|----
---------------
```

 This is the intro

  I'm not going to tab the vers but i've put in these fills which he does at

 And this is the next solo.. .

                    !!these bends go up and down a lot so listen carefully

 to the song!!

 (with Waa Waa) The next Solo....
Long Bend for

 about a bar
Carry the

 two bars together

 (These are bend and release and pre bends)

 this is a great slide bit with delay and chorus

```
-12-12-12-12-12/-14-14-14-14/-16-16-16-16/-19-19-19-19--|-
-19/----------------
-------------------------------------------------------|----
----------------
-9--9--9--9--9-/-11-11-11-11/-13-13-13-13/-16-16-16-16--|-
-16/----------------
-------------------------------------------------------|----
----------------
-------------------------------------------------------|----
----------------
-------------------------------------------------------|----
----------------
```

 And now another waa-waa part...The things I do.(sigh)

```
---------|-9--9-------------9------------------------|-------
----------------
-------9-|--12--12-9------9---12-9------9-------------|-------
----------------
--11b----|-----------11b-----------11b----9----9--11--
|-11h13vvvv-------------
---------|-----------------------------------11--------|-------
----------------
---------|-------------------------------------------|-------
----------------
---------|-------------------------------------------|-------
----------------
```
