(correção visual)

Lyrics:

**Gb Db6 Abm**  
Angel came down from heaven yesterday

**B E**  
Stayed with me just long enough to rescue me...

**Gb Db6 Abm**  
And she told me a story yesterday

**B E**  
About the sweet love between the moon and the deep blue sea

**B D Gb**  
The she spread her wings high over me...she said

**Abm Bbm**  
I'll come back again to see you tomorrow

**B B**  
And I said

Chorus:

**E Gbm7**  
Fly on my sweet angel

**C A D Eb E**  
Fly on through the sky

**E Gbm7**  
Fly on my sweet angel

**C A D Eb E**  
Tomorrow I'm 'gonna be by your side

Sure enough to this woman came home to me  
Silver wings silhouetted against a child's sunrise  
And my angel she said unto me  
today is the day for you to rise  
Take my hand come you're gonna be my man  
and she took me high over yonder

(Chorus)

Well, I don't know how the tab is going to look, since I only wrote it in Windows Notepad. But if you line up the chords and bars vertically, all the licks should fall into place. This song was originally played through a Leslie speaker, but sounds fine through a phaser or flanger.

Subject: jimi hendrix "Angel"

"Angel" from Jimi Hendrix.

I've only tabbed the intro yet. The rest will follow later. The whole song is played with the guitar tuned down a half step.

A Leslie is used to get the 'spacy sound'. This effect can be emulated with a chorus pedal at a medium slow rate.

Angel came down from heaven yesterday  
Stayed with me just long enough  
to rescue me  
And she told me a story yesterday  
About the sweet love between the moon  
and the deep blue sea  
Then she spread her wings high over me  
She said, I'll come back to see you tomorrow  
And I said...

Fly on my sweet Angel  
Fly on though the sky  
Fly on my sweet Angel  
Tomorrow I'm gonna be  
by your side.

Sure enough this woman came  
home to me  
Silver wings silhouetted against  
a child's sunrise  
And my Angel she said unto me  
Today is the day for you to rise.  
Take my hand  
You're gonna be my man  
You're gonna rise  
Then she took me high over yonder  
And I said..

Fly on my sweet Angel  
Fly on through the sky  
Fly on my sweet Angel  
Forever I'm gonna be by your side.
