third time go to outro

4X

4X

4X

back to intro 2X

Outro:

(continue pattern of repeating the half-note slides

Acordes

and octave pairs 8x each)

Lyrics:

Here comes Ezy, Riding down the highway of desire. He said the free wind takes him higher trying to find his heaven above,

but he's dying to be loved Dying to be loved.

He's gonna be living so madly Today is forever so he claims He's talking about dying it's almost tragic baby But don't you worry about today We got freedom coming our way

How long do you think he's gonna last? Can I forecast?

See all the lovers say, do what you please. gotta get the brothers together and the right to be free. In a cloud of angel dust I think I see me a freak. Hey, motorcycle mama you gonna marry me?

Gonna be stoned crazy Love come in kinda easy Stoned crazy, baby
