

Jimi Hendrix - Firepile

Tom: E

Inicio

E A B A

E
This is him
When I, when I, I begin

E
Call him tied call him taken

E
Call him anything but shaken

Call him wasted call him shaved

Call him anything but shaved

E
Call that firepile a home

E
Don't give away the end

I come back

I rush to wait

E
Where the pavement starts to crack

I put my foot down

E
The sidewalk's so hot

A
The sidewalk's so hot

E

Think of all the junk

I could lay my hands on, purify my heart

That firepile's your home

E
Your baby's running faster
Count the times I left my clothes out
Count the tires one more time
Count the times I let the air out
That firepile's your home
And you're mine
