

# Jimi Hendrix - Firepile

Tom: E

Inicio

E A B A

E  
This is him  
When I, when I, I begin

E  
Call him tied call him taken

E  
Call him anything but shaken

Call him wasted call him shaved

E  
Call him anything but shaved

E  
Call that firepile a home

E  
Don't give away the end

I come back

E  
I rush to wait

E  
Where the pavement starts to crack

I put my foot down

E  
The sidewalk's so hot

A  
The sidewalk's so hot

E

Think of all the junk

I could lay my hands on, purify my heart

That firepile's your home

E  
Your baby's running faster  
Count the times I left my clothes out  
Count the tires one more time  
Count the times I let the air out  
That firepile's your home  
And you're mine
