

# Jimi Hendrix - Little Wing

tom:  
Em

Free  
alright, she

It's

Says it's alright  
Take anything

You want from me  
anything

Well she's walkin through the clouds Fly on little  
round With a circus mind that's running wing  
Butterflies and zebras and moonbeams  
And, uh fairy tales that's all she ever  
think's about Riding with the wind (With reverb or wah wah or something)  
yeah  
When I'm sad She Yeah, yeah, yeah ... little wing wing  
comes to me  
gives to me With a thousand smiles She E|-----|
