

# Jimmie Van Zant - Unfinished Life

tom:

Intro: G Am7 G Am7 G Am7

[Primeira Parte]

G  
He had everything he wanted  
Dm  
All his stars were lining up  
C  
Like an inside straight  
C G  
When you go all in on a Vegas run

G  
Then one rainy night  
G Dm  
While driving his Mercedes up that ladder  
C G  
He lost control of what he thought he had  
G  
And his life was done

[Pré-Refrão]

Am  
The preacher man said  
Am G C G  
Here lies the richest man in town  
Am7  
Maybe in heaven  
Am7 D  
He'll finally find happiness he never found

[Refrão]

G  
Man, it hit me like a bolt of lighting  
D  
Living was just passing right by me  
Em D  
Time to slow down, take a look around  
C D  
Tomorrow can't replace what I've got right now  
G  
Running along at the speed of crazy  
D  
Blowing right past the gifts God gave me  
Em D C G  
Nobody gets to go around this world twice  
Am D G  
Lord, don't let me live an unfinished life

[Ponte]

G  
Sat on an old park bench  
Dm  
Man, I kicked off my shoes  
C  
Felt the grass between my toes  
G  
First time since I don't know when  
G  
Thought about the days I wasted  
Dm  
All the things I left unsaid  
C  
How that big brass ring I'd been chasin'  
G  
Ain't gonna matter in the end

[Segunda Parte]

Am C G  
Just about then a kid walked up  
C  
Said Mister have you got the time?  
G Am7 Am  
Smiled as I took that watch off my wrist  
D  
Said, "Son, you can have mine"

[Final]

G  
Man, it hit me like a bolt of lighting  
D  
Living was just passing right by me  
Em D  
Time to slow down, take a look around  
C D  
Tomorrow can't replace what I've got right now  
G  
Running along at the speed of crazy  
D  
Blowing right past the gifts God gave me  
Em D C G  
Nobody gets to go around this world twice  
Am D G  
Lord, don't let me live an unfinished life  
Dm C D G  
G  
Running along at the speed of crazy  
D  
Blowing right past the gifts God gave me  
Em D C G  
Nobody gets to go around this world twice  
Am D G  
Lord, don't let me live an unfinished life
