

Jimmy Cliff - Peace

tom:

C

How is there going to be peace

C

Em

When there is no justice, oh no, oh

Dm

C

G7

Someone is taking more than their share

Of the bounties of this land and that's not fair

So little people got more than they need

While there's so many hungry mounths in the world to feed

And i would give my heart so true

And i will give my love for you, tell me...

And i will give my love for you, tell me

How is there going to be peace

When there is no justice oh no, oh

Someone Is Taking My Share And They Just Don't Give A Darm

No they don't care

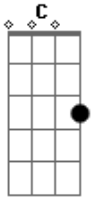

So you just might as well face it

Cause there aint no other way to erase it

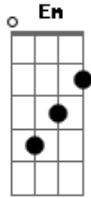

And i will give my heart so true

And i will give my love for you, tell me...
