Whoa whoa whoa oh
Whoa whoa whoa oh
Whoa whoa whoa whoa
Whoa whoa whoa oh

This evil world is getting worse
They want our children and our eyes
Oh fathers wake up see the worst
And stop believing in them lies

This world is home to a scoffer
And he's the one who holds their hearts
The devil's making them an offer
And the antichrist will play the cards

Oh brace yourself my fellow brothers
And stand upon the word of God
Many have forgot

He will return to call his bride
So be prepared in wearing white
Teach your children and your wives
Don't be asleep when he arrives

Whoa whoa whoa oh
Whoa whoa whoa oh
Whoa whoa whoa whoa
Whoa whoa whoa whoa oh

You send your children to a school
Where devils play inside their head

Oh fellow man you are a fool
You might as well just wish'em dead

The time is close the days are short
So turn the pages be well read
Tie your family's slipping cord
And read the truth to them instead

Oh brace yourself my fellow brothers
And stand upon the word of God
Many have forgot

He will return to call his bride
So be prepared in wearing white
Teach your children and your wives
Don't be asleep when he arrives
Call out wolves and call out lies
Call on brothers and pray at night
Flee the lust and hide your eyes
Put your trust in Jesus Christ

Holy men of God

Armour you've been shod
Draw your sword and fight
Satan you will flight

Stand with faith you wield
Protect with that shield
Quench his fiery darts
To save your family hearts

He will return so don't you wait
Might be tomorrow or today
