

Jimmy Eat World - It Matters

Tom: **D**
Intro: 2x: (**G A Bm Bm**)

Verse 1:

G **A** **Bm**
We're losing several steps ahead, it's strange
G **A** **Bm**
Anything you do, anyway you move
G **A** **Bm**
Then with any strain it feels so helpless
G **A** **Gb**
A trap we build ourselves, we can be without

Chorus:

G **A** **Gbm Bm**
When you pulled away, I say it matters
G **A** **Gbm Bm**
With the quiet face, heartbreak I shatter
G **A** **Gbm Bm**
Then okay, we'll train but after
G **A**
Nothing new to see, saying what you mean
Bm
When you pulled away

Verse 2:

G **A** **Bm**
I imagine talks last all night
G **A** **Bm**
Never bringing up, but every day I want to
G **A** **Bm**
I think about us dancing, but it's not something we do
G **A** **Gb**

Well there's my dream, doesn't it sound good to you?

Chorus:

G **A** **Gbm Bm**
When you pulled away, I say it matters
G **A** **Gbm Bm**
With the quiet face, heartbreak I shatter
G **A** **Gbm Bm**
Then okay, we'll train but after
G **A**
Nothing new to see, saying what you mean
Bm
When you pulled away

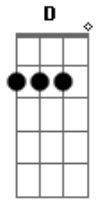

Solo:
