

# Jimmy Eat World - Over

Tom: A

(intro 4x) Dbm E A E

(verse 1)

I'm not exactly sure what I should say  
 Everything I do is a mistake

Your attention is attention (It doesn't matter if it's fake or real)

I'll take it if I get it, oh

I've made up my mind  
 I'll do it over any time

(refrão)

You're over it, over me  
 Present just physically  
 Last words from the dying scene  
 You're over me  
 You're over me

( Dbm E A E )

(verse 2)

I really need to hear how great I am  
 Cause I can't even get up out of bed

Now say it like you mean it (Doesn't matter how I really feel)  
 Sing it back softly, oh

You got to be strong and I've been empty oh so long

(refrão)

You're over it, over me  
 Present just physically  
 Last words from the dying scene  
 You're over me

( Dbm E A E ) (3x)

(verse 3)

The old days all went bad  
 Rotted, wilted black  
 Before you'd have a chance to call  
 I'll be on the next train home

Add it to the endless list of all the things we'll never ever know

(refrão)

You're over it, over me  
 Present just physically  
 Last words from the dying scene  
 You're over me

(outro)

You're over me  
 You're over me
