

# Jimmy Eat World - Sweetness

Tom: C

Instrument: 6 String Guitar

Guitar 1= dropped D- tuning  
Guitar 2= standard tuning

I saw this tab a couple of days ago, so this is (almost) 100% right!

The distorted parts in this song are playing by both guitars. I'm not sure about the clean parts. Check it out by yourself.

ATTENTION!!!!!!!

At the CHORUS guitar2 plays D and guitar1 plays a D and an E (listen to the song and you know what I mean).

(..)= Note not necessary to play

PM= Palm muted.
