

# Jimmy Needham - If I Ever Needed Grace

Tom: E

E B  
It still feels like yesterday,  
Dbm Abm  
A lifetime of empty days,  
A E B  
My hungry heart was desperate for a meal.  
E B  
I feasted on the Bread of Life,  
Dbm Abm  
Forgiveness pierced me like a knife,  
A E B  
And your breath filled up my lungs and I could feel.  
Gbm Abm B  
And I was broken and all I could say,

Chorus:  
Dbm A E B  
Was if I ever needed grace it's now  
Dbm A B  
You are strong when I am weak somehow  
Dbm A Gbm  
I am weak enough to see that I need you to cover me  
A B Dbm A E B  
If I ever needed grace it's now.

Verse 2:  
E B  
I met the woman of my dreams,  
Dbm Abm  
I wanted to give her everything,  
A E B  
But fear came like a thief in the night.  
E B  
But my journal pages prophesied,  
Dbm Abm  
That one day I'd make her my bride,  
A E B  
And soon, my best friend was wearing white.  
Gbm Abm B  
With our lives ahead all I could say,

[Chorus]

Dbm A E B  
Was if I ever needed grace it's now  
Dbm A B  
You are strong when I am weak somehow  
Dbm A Gbm  
I am weak enough to see that I need you to cover me  
A B A  
If I ever needed grace it's now.

Bridge:  
A Abm  
In every joy and pain  
Gbm  
Whatever comes my way  
B (opt Gbm hold until you start verse 3)  
God I need your grace

Verse 3:  
E B  
Nine short months til' she arrived  
Dbm Abm  
Little hands and lions eyes  
A E B  
And I'm so scared I don't have what it takes.  
E B  
But I hear your voice, "Son lean on me,"  
Dbm Abm  
Father give me eyes to see  
A B  
All I need's the power of your name

Chorus:  
Dbm A E B  
Was if I ever needed grace it's now  
Dbm A B  
You are strong when I am weak somehow  
Dbm A Gbm  
I am weak enough to see that I need you to cover me  
A Abm  
If I ever needed grace  
Gbm A  
If I ever needed grace  
A B Dbm A E  
If I ever needed grace, it's now...
