

Jimmy Needham - It Is Finished

Tom: G

It is finished, It is finished, Tetelestai
The beauty of the double meaning phrase
He ceased from His labor and so have I
Now resting only in His grace

It is finished, it is finished, Tetelestai
The Son of Man succeeding where I failed
The wrath of God now satisfied
In Jesus, my Emmanuel

[Refrão]

It is done, Hes alive
And He is able to bring us life
In three days, He will rise, Tetelestai

[Verso 2]

It is finished, it is finished, Tetelestai
My hope found in the Saviors words alone
He willingly laid down His life

And gloriously He rolled away the stone

It is finished it is finished, Tetelestai
No longer need I labor for His love
For Christ fulfilling the law of God
Was deemed by God to be enough

[Refrão]

It is finished, It is finished, Tetelestai
The wedding bells of freedom now ring
Your sons and daughters will testify
Now to you, Jesus, we will sing
We will sing
We will sing

[Final]

On Christ the solid rock I stand
All other ground is sinking sand
All other ground is sinking sand
All other ground is sinking sand
All other ground is sinking sand
