

# Jimmy Needham - It Is Finished

Tom: G

It is finished, It is finished, Tetelestai  
 The beauty of the double meaning phrase  
 He ceased from His labor and so have I  
 Now resting only in His grace

It is finished, it is finished, Tetelestai  
 The Son of Man succeeding where I failed  
 The wrath of God now satisfied  
 In Jesus, my Emmanuel

[Refrão]

It is done, Hes alive  
 And He is able to bring us life  
 In three days, He will rise, Tetelestai

[Verso 2]

It is finished, it is finished, Tetelestai  
 My hope found in the Saviors words alone  
 He willingly laid down His life

And gloriously He rolled away the stone

It is finished it is finished, Tetelestai  
 No longer need I labor for His love  
 For Christ fulfilling the law of God  
 Was deemed by God to be enough

[Refrão]

It is finished, It is finished, Tetelestai  
 The wedding bells of freedom now ring  
 Your sons and daughters will testify  
 Now to you, Jesus, we will sing  
 We will sing  
 We will sing

[Final]

On Christ the solid rock I stand  
 All other ground is sinking sand  
 All other ground is sinking sand  
 All other ground is sinking sand  
 All other ground is sinking sand
