

Jimmy Needham - It Is Finished

Tom: G

It is finished, It is finished, Tetelestai
 The beauty of the double meaning phrase
 He ceased from His labor and so have I
 Now resting only in His grace

It is finished, it is finished, Tetelestai
 The Son of Man succeeding where I failed
 The wrath of God now satisfied
 In Jesus, my Emmanuel

[Refrão]

It is done, Hes alive
 And He is able to bring us life
 In three days, He will rise, Tetelestai

[Verso 2]

It is finished, it is finished, Tetelestai
 My hope found in the Saviors words alone
 He willingly laid down His life

And gloriously He rolled away the stone

It is finished it is finished, Tetelestai
 No longer need I labor for His love
 For Christ fulfilling the law of God
 Was deemed by God to be enough

[Refrão]

It is finished, It is finished, Tetelestai
 The wedding bells of freedom now ring
 Your sons and daughters will testify
 Now to you, Jesus, we will sing
 We will sing
 We will sing

[Final]

On Christ the solid rock I stand
 All other ground is sinking sand
 All other ground is sinking sand
 All other ground is sinking sand
 All other ground is sinking sand
