

Jimmy Oliveira - Do Not Give Up On Me

Tom: A
Intro: D A D E

Early morning at sunrise
In the first breeze that comes
I feel your mercy
Renewed over me

And the day begins to run
My mistakes i cannot hide
More and more your grace draws me
Forgiven and cleansing my been

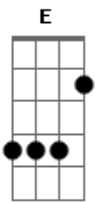

Forgive me, calm me
I wanna be firm in you

I wanna walk in the center
Of your will
Do not give up on me

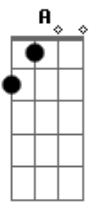

[Solo] D A Bm E
D A C Bm E

Forgive me, calm me
I wanna be firm in you
I wanna walk in the center
Of your will
Do not give up on me
Do not give up on me
Do not give up on me
