

# Jinkx Monsoon - One Tiny Taste

Tom: Gb

m  
Intro: Bm Gbm Db  
Gb Db Gbm

I have earth in my voice, dear  
the world is my oyster and I am its pearly white smile

I have fortune and freedom and men when I need them

My life has charmed for a while

But when I was young and obedient and dumb

I was led to do terrible things

By the state and the church and my mother who urged me

To give up my dreams for a ring

( G ) Gbm Bm  
Tiny little girl, yearning for the world, settled for a wedding

Tiny little groom, marching to his doom, never understanding

Tiny little wife, tiny little life, tiny little ending

I was building a prison

I could have been living a life

( Db Gb Db Gbm )

( G ) Gbm  
Bm  
Lonely little man, playing with your hand, wishing you were bolder

Secrets in a jar, fear of who you are weighing on your shoulder

Holding it inside, holding very tight, slowly growing older

You're building a prison, you could have been living a life

Bm Gbm Db  
Gbm  
The world is so wide and before we have died we will only have one tiny taste

Am Bm Db ( G ) Bm  
If you run off and hide like a whimpering child, just think of the life you could waste

( D Db Gbm )  
( Bm Db Gbm )

Bm  
Break out of your prison

It's time to start living

You've only been given one life

You've only been given one life

You've only been given one life

( Bm Gbm Db )  
( Gb Db Gbm )
