

Jinkx Monsoon - This Town

Tom: G
Intro: Db Gb Db Gb

[Primeira Parte]

Well I used to have friends in this town, but they're gone now
I used to know the words to this song, but they're gone
How could we have strayed?
How could we have strayed?

[Refrão]

Yeah I used to have friends in this town, but they're gone now

[Segunda Parte]

Well I started my life in this town, but it's gone now
The white picket fence and the lawn, yeah they're gone
Tell me what remains
Tell me what remains

[Refrão]

Yeah I used to have friends in this town, but they're gone now

Oo - oo - oh
Toss me through the waterfall
Oo - oo - oh
Push me in the lake
Oo - oo - oh

They can give you the world
Yeah but they take, they take, they take
Oh

[Terceira Parte]

I made my way through this town til they tore down
I had the sun at the dawn, but they're gone
What could we have saved?

What could we have saved?

[Refrão]

Yeah I used to have friends in this town, but they're gone now

Oo - oo - oh
Toss me through the waterfall
Oo - oo - oh
Push me in the lake
Oo - oo - oh

They can give you the world
Yeah but they take, they take, they take
Oh

[Ponte]

When you fight so hard just to give them back
All the lives you let them once attack
But we never saw the change
We made the path we made
The only game we played
So how could we have strayed?
Oh

[Refrão]

Oo - oo - oh
Toss me through the waterfall
Oo - oo - oh
Push me in the lake
Oo - oo - oh

They can sell you the world
Yeah but you pay, you pay, you pay
Oh

(Db Gb Db Gb)

Well I used to have friends in this town, but they're gone now
I used to know the words to this song, but they're gone
Tell me what remains
