

# J. Melgaço - Meu Mundo É Você

Tom: E

Quero só Você, amo só Você

Preciso de Você meu bem

Porque meu bem é Você

Quero só Você, amo só Você

Vivo em Você meu bem

Porque meu mundo é Você

A minha vida vai passando lentamente

Vou vivendo em ti somente, vou tentando me achar

E o seu amor, é o que vem me alimentando

Vivo em ti, mas vou pensando, ai de mim se eu te perder

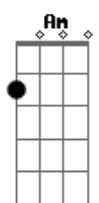

É tão difícil quando aqui Você não está

O coração bate mais fraco dá vontade de chorar

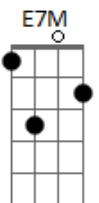

Mas se você, meu bem, juntinho a mim está

O coração bate mais forte e dá vontade de te amar
