

Joan Jett - Desire

Tom: D

Intro (4x): D D D D D D

D
You're gone from mean street
Each time our eyes meet

G
I want to touch you

D
Sudden attraction
Such strange reaction

G
Hold me to you

A
Then you push me away

A G
I want to make you, make you

G A
Make you want to stay

A
So let me take you, take you

G A
Take you baby all the way

G D G
'Cause I feel that desire

D G
You're the flame that feeds my fire

D
Will you take me higher

A
Give me that love that I desire

D
Oh, oh, oh

Base (2x): D D D D D D

D
Learned all that you want baby
Then why don't you show babe

G
Don't play with me baby

D
'Cause I'll find somebody
Who knows how to love me

G
So if you want it

A
You better take it right now

A
I want to make you, make you

G
Make you want to stay

A
So let me take you, take you

G A
Take you baby all the way

G D G
'Cause I feel that desire

D G
You're the flame that feeds my fire

D
Will you take me higher

A
Give me that love that I desire

D
Oh, oh, oh

(estrutura dos acordes da base do solo)

Final Base Solo: D

G A D
Come on and take me through the night

G A D
You know I won't put up a fight

G A D
Just wrap your arms around me tight
Tonight, tonight, tonight

A
Wondered why you make me

G A
It might make you want to stay

A
If you don't take me

G A
Life might never take me back this way

G D G
I feel that desire

D G
You're the flame that feeds my fire

D
Will you take me higher

A
Give me that love that I desire

G D G
I feel that desire

D G
You're the flame that feeds my fire

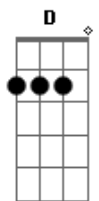

D
Will you take me higher

A
Give me that love that I desire

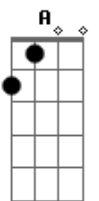

D
Oh, oh, oh
