Tom: G

Intro 2x: Em G G A A B

Sitting on the edge of the bed

I recall how you can send me to heaven

You never deny me in the middle of the night

My desires from morn to eleven

Whenever I ask there's never a task

For someone as wild as you

It's tough to believe I can hardly conceive

Of the things you can get me to do

Anticipating what's gonna come

It's all I can do to keep my hands off my pie

Never mind the song and dance

If you rock on the corner and start rocking this joint

It's time that we are making an advance yes it is
