Joan Jett - (I'm Gonna) Run Away

Tom: B

Intro: (2x):   B Gb E Gb

```
B
I can't take it
Gb
This is gettin' silly
  B                E
Can't find me no tranquility
  B             Gb                       B     Gb
Anymore, I just can't get through to You

          B              Gb
We're fakin' it, it's time to admit it
  B                E
You make me feel like an idiot
  B                       Gb                  E
All the time, there's nothin' left for me to do
Gb
No, so

                B
I'm gonna run away
       Gb                        E
I'm never comin' back to you
 Gb
Yeah yeah,
                B
I'm gonna run away
       Gb                    E      Gb
I'm never comin' back to you

B                        Gb
We were friends but now you're the enemy
B                        E
Don't need this when there's a remedy
  B
It's the end
 Gb                           B     Gb
```

```
Play your trick on someone new

                B
I'm gonna run away
       Gb                        E       Gb
I'm never comin' back to you,  Yeah yeah,
                B
I'm gonna run away
       Gb                       E      B
I'm never comin' back to you

 A            B           A            B
Ain't life strange, how people change
 A                  B
You were all I wanted once
 A                    Gb     Gb
Now you're just a pain, pain

Base Solo (4x):     B E Gb

                B
I'm gonna run away
       Gb                        E       Gb
I'm never comin' back to you,  Yeah yeah,

                B
I'm gonna run away
       Gb                        E       Gb
I'm never comin' back to you,  Yeah yeah,

                B
I'm gonna run away
       Gb                        E       Gb
I'm never comin' back to you,  Yeah yeah,

                B
I'm gonna run away
    Gb                          E      B
I'm never comin' back to you
```
