 Unbuttonin' all your clothes
 Em D G
 You sleep in your bed tonight,
 C Am
 But i never find you home
 Em D G
 You're givin' me crooked answers,
 C Am
 I'm crackin' your little code
 Em D G
 I'm learnin' another language,
 C Am
 So full it's about to explode

BRIDGE:

Em (vamp)
 You give me a ladder now
 I surely believe I'll climb
 It don't even matter now
 I'm willing to take my time

Em D G C Am

I'm gonna love you anyway - - hey-ay.
 Em D G C Am
 Today and ever-y day,
 Em D G C Am
 Today and ever-y day
 Em D G C Am
 I'm gonna love you anyway - - hey-ay.
 Em D G C Am
 Today and ever-y day,
 Em D G C Am
 Today and ever-y day

VERSE:

Em D G
 I wanted it to be easy,
 C Am
 I know that i'll make you tired
 Em D G
 Some tell me you're slow and lazy,
 C Am
 Some tell me you're so inspired
 Em D G
 You wanted a long flirtation,
 C Am
 Your plane doesn't ever land
 Em D G
 Some things i don't want to look at,
 C Am
 I don't want to understand but

BRIDGE:

Em (vamp)
 You give me a ladder now
 I surely believe i'll climb
 It don't even matter now
 I'm willing to take my time
