 You're givin' me crooked answers,  
 C Am  
 I'm crackin' your little code  
 Em D G  
 I'm learnin' another language,  
 C Am  
 So full it's about to explode

Em (vamp)  
 You give me a ladder now  
 I surely believe I'll climb  
 It don't even matter now  
 I'm willing to take my time

I'm gonna love you anyway - - hey-ay.  
 Em D G C Am  
 Today and ever-y day,  
 Em D G C Am  
 Today and ever-y day

VERSE:

Em D G  
 I wanted it to be easy,  
 C Am  
 I know that i'll make you tired  
 Em D G  
 Some tell me you're slow and lazy,  
 C Am  
 Some tell me you're so inspired  
 Em D G  
 You wanted a long flirtation,  
 C Am  
 Your plane doesn't ever land  
 Em D G  
 Some things i don't want to look at,  
 C Am  
 I don't want to understand but

BRIDGE:

Em (vamp)  
 You give me a ladder now  
 I surely believe i'll climb  
 It don't even matter now  
 I'm willing to take my time
