

Joan Osborne - Ladder

```
Tom: G
  Em
            D G C Am
Today and ever-y day,
         D G C Am
Today and ever-y day
Em D G C Am Today and ever-y day,
        D G C Am
Today and ever-y day
Em D G
I'm standin' here in your closet,
        Am
Unbuttonin' all your clothes
            D
You sleep in your bed tonight,
         Am
But i never find you home
Em D G
You're givin' me crooked answers,
          Am
I'm crackin' your little code
             D
I'm learnin' another language,
           \mathsf{Am}
So full it's about to explode
BRIDGE:
Em (vamp)
You give me a ladder now
I surely believe I'll climb
It don't even matter now
I'm willing to take my time
```

I'm gonna love you anyway - hey-ay. Em D G C Am Today and ever-y day, Em D G C Am Today and ever-y day D G C Am I'm gonna love you anyway - hey-ay. Em D G C Am Today and ever-y day, Em D G C Am Today and ever-y day VERSE: D G I wanted it to be easy, Am I know that i'll make you tired Some tell me you're slow and lazy, Some tell me you're so inspired You wanted a long flirtation, Your plane doesn't ever land D G Some things i don't want to look at, Am I don't want to understand but BRIDGE:

Em (vamp)
You give me a ladder now
I surely believe i'll climb
It don't even matter now
I'm willing to take my time

Acordes

CHORUS:

D G C Am
