Excellent moody one from the 'early material' CD.

Gm Bb Gm
 I'm not afraid anymore & I say

[chorus]:

Gm Bb Cm F Bb Gm
 what you gonna do what you gonna do about me

Gm Bb Cm F Bb Eb Dm
 what you gonna do what you gonna do about me-ee

Acordes

Am Gm
 whoa-a whoa-hoa

Gm Gm Gm Bb Gm
 you've been stealing all the air, you've been using all the sound
 I made a deal with the o-o-ocean, I made a deal with the ground
 [chorus]

[break]

[repeat intro]

[bridge]:

Gm Bb Cm
 I am riding on the bus I am working at my job

F Gm
 I am calling out your name I am standing at your door

Gm Bb Cm
 I am counting out the money I am carrying my child

F Gm
 I am coming down your driveway I am giving you a chance

[chorus]

x is strum, but mute the strings at the neck
 h is a hammer on
 p is a pull off
 / is a SLIDE UP throughout this tab- there no chords with non-root notes
 in the bass, so "Gm" is Gm at the 3rd fret, then slide up to Bb at the 6th and NOT Gm with Bb in the bass, same goes for Bb and F

chords

E A D G B e
 3 5 5 3 3 3 - Gm
 6 8 8 7 6 6 - Bb (this fingering mostly)
 x 1 3 3 3 1 - Bb (in the intro)

 1 3 3 2 1 1 - F
 11 13 13 12 11 11 - Eb

I've tabbed most of this song out, but it'll be ages before I get to key it all in. Here's a couple of the main picked parts(and in the chorus), if you want the full monty in tab then send me a mail.
