

# Joanna Newsom - Peach Plum Pear

Tom: **F**

The Milk-Eyed Mender  
 Tabbed by Devin McGinty

it perfect. I'm not making promises, but here's what I've got.  
 The one other chord  
 was correct, but a half step off. So here's my take on it. My  
 first tab, blah blah blah,  
 uh beginnur. No, seriously. Go right ahead and criticize me. I  
 don't really care.

Chords:

**Dm**   **Bb**   **Gm**   **C**   **C**  
 Intro: | **Dm**   | **Bb**   | **Gm**   | **C C** | x2

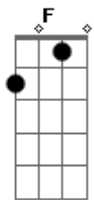

Verse:

**Dm**  
 We speak in the store;  
**Bb**  
 I'm a sensitive bore.  
**Gm**  
 You seem markedly more  
**C**   **C**  
 and I'm oozing surprise.

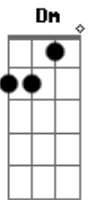

Then there are also some breaks that I play like this:

Go na nanana na nanana na na      na nanana na nanana na na  
 na now na now   na now   na now
