

# Joanna Newsom - Sprout And The Bean

Tom: **Db**

Tabbed by: Claire

Email:

Tuning: Dropped **D**

This tab is extremely rough, the intro especially, as it is not a song written for the guitar.

Intro:

Verse

I slept all day

I woke with distaste

And I railed

And I raved That the

difference between

The sprout and the bean

It is a golden ring

It is a twisted string

Bridge

And you can ask the councilors

And you can ask the king

And I'll say the same thing

And it's a funny thing

Should we

Chorus

go outside

Should we

go outside

Should we

Repeat for "Should we break some bread? / Are you interested?"

There's a few little harp parts over the chorus

"Solo" type thing

Repeat verse with this over it

And danger danger drawing near them was a white

coat and danger danger drawing near them was a broad boat

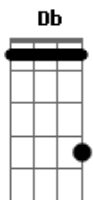

Repeat for "And the water water running clear beneath a white throat /

And the hollow chatter of the talking of the tadpoles"

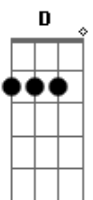

Chorus

Outro.... your guess is as good as mine. I'm not even going to try.
