

# Joanna - A Padroeira

tom: C

Abençoaí

Nossas casas, as águas, as matas e o pão nosso

A luz de toda manhã, o amor sobre o ódio

Iluminai

A cabeça dos homens, te pedimos agora

E que o bem aconteça

Nossa Senhora

Ó, virgem santa, rogai por nós, pecadores

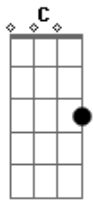

Junto a Deus Pai e livrai-nos do mal e das dores

Que todo homem caminhe

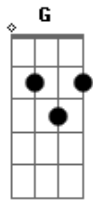

Tocado pela fé

Crendo na graça divina Esteja como estiver
