

João Alexandre - Todavia

tom: C

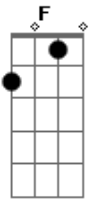

Ainda que a figueira
 Não floresça
 E o fruto da videira
 Eu desconheça
 E minta a oliveira
 E os campos não
 Produzam mais
 E o gado já não haja
 Nos currais

Todavia eu me alegro
 No Senhor
 Que é minha salvação
 Pois me faz andar assim
 Como a corça
 Livre assim
 Guia os meus passos
 E me traz a paz
 Ainda que a figueira
 Não floresça
