tom:

A

Vem, vamos mostrar que em nosso meio existe um outro alguém

Não por traição, mas por honra e por valor, que instituiu o nosso

Amor

Vem, vamos dizer que há muito tempo atrás nos escolheu

Como se no céu, desenhasse em Sua glória

Quadros coloridos pra pintar a nossa história

Tristezas, alegrias, incertezas, esperanças

Lembranças e saudades, mesmo perto ou na distância

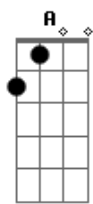

Hão de ser pra nós um alicerce em nosso amor

Unidos na vontade

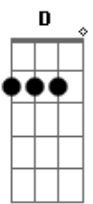

Unidos na vontade

Unidos na vontade do Senhor
