

# João Bosco Tavares - Coralina

Tom: D

**D7M** **Em** **Gbm**  
**Em**  
 Vamos sair a galope, fugir destas trilhas

**D7M** **A7**  
 De ânsias e angustias que habitam em nós

**D7M** **Em** **Gbm**  
 Vamos brincar de criança, voltar à infância

Sentir a leveza, falar mais de amor

**D7M** **Em** **Gbm**  
 Vamos buscar lonjuras, descobrir mil venturas

**A7**  
 Encontrar a candura que o tempo levou

**D7M** **Em** **Gbm** **Em**  
 Vamos ler coralina, encontrar em sua sina

**A7** **D7M** **D7**  
 A doçura nos versos que ela escreveu

**B7**  
 Que tal refazer a estrada, ladrilhar as calçadas

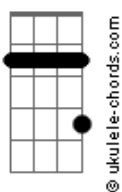

**Em** **A7** **D7M**  
 Refazer a pintura, decorar com mais flor

**G7M** **Ab** **D**  
 Ver nascer à esperança e no verde da planta

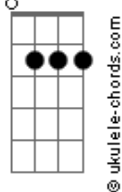

**Em** **A7**  
 Oxigênio que invade, vira arte, escultura mão
