

# João Bosco - CINEMA CIDADE

Tom: C

( João Bosco / Francisco Bosco )

[Intro:] Cm7 C(#5)

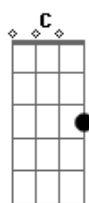

Podia ser Berlim, cidade fria  
 Podia ser Japão, jardins de areia  
 Podia ser Pequim, cidade cheia  
 Podia ser que não, cidadezinha

Posso tentar a sorte  
 Em qualquer outro lugar  
 Se aqui não melhorar  
 Paris, Estocolmo, Zaragoza

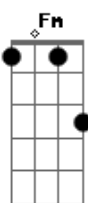

Vejo um arranha-céu  
 E só penso em ser feliz  
 Tudo está por um triz  
 Nessa cidade

Cidade pra nascer  
 Cidade pra morar  
 Cidade pra viver  
 Cidade pra se amar  
 O mapa tatuado na sola dos pés  
 Às vezes distraído, às vezes de viés  
 Ando pela cidade
