

João Bosco - Pernas de Pau

Tom: D

(João Bosco / Francisco Bosco)

[Intro:] Em7 Bm Bm7 Bm7 Bm G

Bm7 G
Pernas de pau, filhos do barro

Bm Bm7 Bm7
Linhas na mão e um coração no peito

Bm Em7 Gm
Andando sobre o meio-fio de um céu sem rede, vão

Bebendo as nuvens pra tentar esquecer

Dedos no pé, pêlos no rosto
Rugas na pele e outros mensageiros
Sua alegria é um mistério em plena luz do sol
Em fevereiro nunca sabem quem são

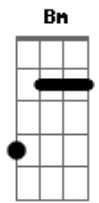

B7 B7 Em7
Quando se amam compreendem tudo

G A7 Bm Bm7 Bm7
Sua razão é mais e menos razão

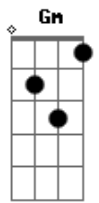

Bm Em7 Gm
E nesse tempo não se fazem pergunta alguma, até

Bm7
Voltar nos olhos a queimar a questão
