

# João Cabete - Quem

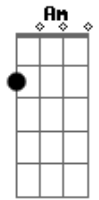

tom:

Am

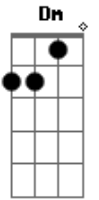

Quem criou o Sol e Terra  
 As estrelas e o luar  
 Quem criou a imensidão  
 Do Azul do céu e do mar?  
 O poema das cascatas  
 O Cantar dos Passarinhos  
 A magia que há nas matas  
 E a ternura que há nos ninhos?

Quem criou tanta beleza  
 No esplendor das Natureza  
 O sorriso da criança  
 Suave luz da esperança?  
 As flores perfumadas  
 Que perfumam no Jardim  
 O Sorrir das alvoradas  
 E a crença que vibra em mim?  
 Foi Deus! Deus  
 Deus! Deus!
