Intro: Em7 A7 D

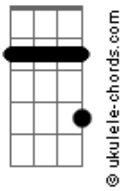

Toda vez que a escola de samba-de-roda batuca na rua
 Maria vem sambar
 Na sandália de prata, cativa, sacode e levanta poeira

Um dia desses me mando com a rosa, vaso do coração
 Me varro da razão
 Um dia desses me mudo para o amor, pois lá bem sei quem sou
 Oh oh oh oh
 Um dia desses, que mundo vai à rua brincar de carnaval
 Floresce o tropical
 Mariazinha do Curuzu, momento penso em tu
 Como tem água nesse deserto
 Seu cabelo lança moda, quero ter sempre por perto
 Turucuntá cuntá tarucuntá cuntá oh oh oh
 Oh oh oh oh oh oh
 Oh oh oh oh oh oh oh oh oh oh oh oh oh
