

João Gilberto - Adeus América

Tom: A

Intro: (A7 E7 D7 A7)

Não posso mais, ai que saudade do Brasil

Ai que vontade que eu tenho de voltar

Adeus América, essa terra é muito boa

Mas não posso ficar porque

O samba mandou me chamar

O samba mandou me chamar

Eu digo adeus ao boogie woogie, ao woogie boogie

E ao swing também

Chega de rocks, fox-trottes e pinotes

Que isso não me convém

Eu voltar pra cuíca, bater na barrica

Tocar tamborim

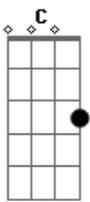

Chega de lights e all rights, good nights e faufaits

Isso não dá mais pra mim

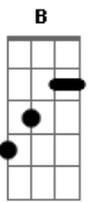

Eu quero um samba feito só pra mim

Oooô, oooooôô
