

João Gilberto - Foi a Noite

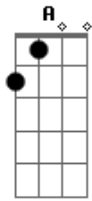

Tom: A

(intro) AM7 BM7 AM7 A#dim7

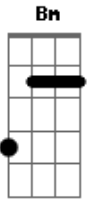

Foi a noite, foi o mar eu sei
 Foi a lua que me fez pensar
 Que você me queria outra vez
 E que ainda gostava de mim

Ilusão eu bebi talvez
 Foi amor por você bem sei
 A saudade aumenta com a distância
 E a ilusão é feita de esperança
 Foi a noite
 Foi o mar eu sei
 Foi você
