

João Gilberto - Una Mujer

Tom: A

(intro) A7M B7 Bb7 A A7M B7 Bb7 A Gbm7 B7 E7

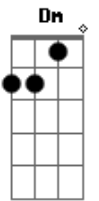

La mujer
 Que al amor no se asoma
 No merece
 Llamarse mujer
 Es cual flor
 Que no esparce
 Su aroma
 Como un leño
 Que no sabe arder
 La pasión
 Tiene un mágico idioma
 Que con besos

Se debe aprender
 Puesto que una mujer
 Que no sabe querer
 No merece llamarse
 Mujer
 Una mujer
 Debe ser
 Soñadora, coqueta
 Y ardiente
 Debe darse al amor
 Con frenético ardor
 Para ser
 Una mujer
 (repete tudo)
